

BOY SCOUTS OF AMERICA[®]
SAUGAHATCHEE DISTRICT

Thank you for your interest in supporting this Eagle Scout Candidate's service project. As with all Eagle Service Projects, this project is designed to benefit a non-profit organization other than Scouting.

Because of this, any donations that you make to this project are being made to the organization that is the beneficiary of the project, not to the Boy Scouts of America.

Basic information about the project is listed below but the Scout should be able to provide you with any additional information that you need about the beneficiary for your records.

Thank you again for helping us help others through this service project!
